## WORSHIP

### GINGHAMSBURG UNITED METHODIST CHURCH

6759 COUNTY ROAD 25A TIPP CITY, OHIO 45371

## CASE STUDY

A worship center including a sanctuary, administration wing and education wing for a congregation of 4,300 members □

### PROJECT SPECIFICATIONS

- 58,000 total square feet
- Value Engineering resulted in a cost savings of \$500,000 □
- Complete project - 10 months

### UNIQUE CHALLENGES

EPA requirements changed in the middle of construction, necessitating a new water filtration system. Bon Builders was able to design and build the new system, with EPA approval, in less □ than five months, keeping the project □ on schedule.

### CLIENT SATISFACTION

"Bon Builders is easy to work with, flexible and sensitive to our changing needs. They helped us determine what we wanted our campus to look like, always suggesting new ideas and looking for alternative options."

Mike Slaughter  
Lead Pastor
