MANAGEMENT RESUME

Clark Miller

Company Role: Business Development Manager

6 years experience, started at Bon Builders in 2002.

Expertise:

- Developing working client relationships
- Listening to client's needs
- Understanding traffic and people flow
- Translating facility needs into workable design concepts
- Direct experience and understanding of manufacturing, office, institutional and religious environments
- Thinking beyond the immediate
- Working with clients for the best workable building solution

My Commitment to Our Clients:

To take the time necessary to understand the clients needs, desires, limitations and space requirements; to explain fully how to prepare for the design and build process; and to partner with clients through and beyond the building process.

Greatest Professional Accomplishment:

Successfully protecting client's time through the design and build process in such a way as to minimize the distractions from managing their growing business.

Schools Attended:

Ashland College (now University) and Ashland Theological Seminary.

Favorite Sports/Hobbies:

Playing racquetball, motorcycle riding, restoring vintage vehicles, discipling youth at church and being actively involved in mission work around the world.
